

New JTR instructions for customers trying to access the old EcoVolt JTR app.

We recently changed our EcoVolt app to support your JTR radiator(s). The following links will allow you to download an App called “My E-Thermostat” to seamlessly control your JTR radiators.

iOS <https://apps.apple.com/ie/app/my-e-thermostat/id1177514812>

Android https://play.google.com/store/apps/details?id=com.etop.cs&hl=en_GB&gl=IE

Download the APP

IOS

Android

Important:

Please ensure your phone is connected to the 2.4GHz wireless signal on your router.

Thank you, EcoVolt.
